

Class 1 Notice

REEDSVILLE SCHOOL DISTRICT **NOTICE OF EDUCATIONAL OPTIONS FOR CHILDREN** **WHO RESIDE IN THE SCHOOL DISTRICT**

The Reedsville School District offers students a variety of educational options to children who reside in the district. Review the notice below to gain more information on the district's accountability reports, as issued by the Wisconsin Department of Public Instruction under section 115.385 of the state statutes.

The Reedsville School District Notice of Educational Options For Children Who Reside in the School District

The Reedsville School District offers students a variety of educational options to children who reside in the district. It is our mission to help every individual learn. The District's primary educational pathway and instructional program for students involves a progression from 4-year-old kindergarten through 12th grade, leading to a high school diploma.

To access the most recent accountability reports for each District School, as issued by the Wisconsin Department of Public Instruction under section 115.385 of the state statute, please go to the district's website:

- Dual credit courses offered at Reedsville High School, taught by Reedsville staff afford student the opportunity to earn college credit while meeting the high school graduation requirements. (Grades 9-12).
- The Youth Apprenticeship Program provides opportunities for an intensive one or two year program which combines class work with work-based learning in a business or industry (Grades 11-12).

Additional educational options for children who reside in the District that involve full-time enrollment/attendance at a school, program, or other educational institution that is not a school or instrumentality of the School District of Reedsville include the following:

High school students meeting certain age and other eligibility requirements may be permitted to attend a technical college or certain other programs for the purpose of completing a program leading to the student's high school graduation or to a high school equivalency diploma.

Full-time Open Enrollment involving physical attendance in a public school of a nonresident district or attendance through a virtual charter school that is associated with a nonresident school district.

A child with a disability who meets the program's specific eligibility requirements may apply to attend an eligible, participating private school under a scholarship awarded through the state's "Special Needs Scholarship Program," as established under section 115.7915 of the state statutes.

- Enrollment in a private school of the family's choosing (at the family's own cost, as applicable).
- Enrollment in a home-based private educational program as provided under state law.

Educational options for children who reside in the School District of Reedsville but who are enrolled in and attending a private school or home-based private educational program include the following:

- Such students have the opportunity to attend summer school classes/programs offered.
- Private school students in the high school grades have the opportunity to apply for approval to take up two courses per semester in a District school, pursuant to section 118.145(4) of the state statutes.

Students who are enrolled in a home-based private educational program have the opportunity to:

- Apply for approval to take up two courses per semester in public schools as provided under section 118.53.
- Participate in District interscholastic athletics as provided under section 118.133.

For more information about any of the educational options listed in this notice, please contact the School Principals, District Office or the Wisconsin Department of Public Instruction.
