

# Local Scholarships Application Form

Reedsville High School works with several organizations and individuals to find the best candidates for a variety of scholarships. Completion of this form simplifies the application process for all the listed scholarships. All selections are based on excellence without regard to race, gender, creed, or color; some include consideration of financial need. Unless otherwise noted, these gifts may be applied to any accredited technical school, community college, or traditionally 4-year college or university course of study.
