

TADDY FAMILY SCHOLARSHIP

Trade Application

The Mike & Stephanie Taddy Trade Scholarship is for a current RHS senior who is planning on entering the workforce or technical college in the trade fields. There will be 2 scholarships awarded which will consist of tools that can be used in that field. One package will go towards a student entering the field of construction, carpentry, electrician, plumbing or hvac. A second scholarship will be awarded to a student entering the workforce or technical college in the trade fields of mechanical including auto, diesel, heavy equipment or small engine. Proof of acceptance of college admittance or employment is required. Applications are due May 10th.
